Forticrete^{stone} Architectural Cast Stone Products

While the following price list is for stock items from our yard in Leigh, we can also produce goods made to size, please enquire on delivery period. For further information, please contact the sales office on the above telephone number.

Heads & Cills

Stooled cills are built in at the time of construction. They should be bedded under the stooing only at the time of installation with an inert packer in the centre. The cill should be solidly pointed as the scaffold is taken down upon completion of the construction.
